Proposal Review Colloquium
08th – 09th October, 2019
TUM Institute of Advanced Studies (IAS)
Technical University of Munich (TUM), Garching
COORNENs 2nd Funding Period
Proposal Review Colloquium (preliminary schedule)

The Proposal Review Colloquium for COORNEN’s 2nd Funding Period 2020-2021 will be held on October 8th and 9th 2019 at TUM Institute of Advanced Studies (IAS), Garching Campus.

Day 1 (Oct. 8th)

Principle Investigators (PIs) and co-workers are expected to present their projects in the following fashion:

A) Oral flash presentations (5 min) of the essential aspects of the proposed projects with 3 min time for urgent questions. Consortia MUST decide on one single PI to speak for the whole consortium. There will be three sessions of oral presentations: 2 x 70 min, 1 x 80 min to allow for presentation of all 22 projects of 50 PIs.

B) Poster Session (ca. 60 min). After each oral session, there will be the associated poster session of the respective projects. This will be the essential opportunity for in depth discussion with the assigned reviewers of the projects. PIs and co-workers will engage in this discussion. Reviewers who are assigned to the projects will meet you at the Posters.

(There will be coffee & snacks during the poster sessions; the organizers will provide drinks & foods)
